WORK EXPERIENCE:

Axiom Pursuits HR consultant	January 2023-present
<ul style="list-style-type: none">As an HR Consultant, I efficiently sourced candidates and filtered them to match my client company's precise requirements, leading to higher selection rates and client satisfaction efforts.	

- I managed the entire recruitment work pipeline independently in my startup, ensuring an efficient, seamless, and error-free hiring process, showcasing strong organizational skills alongside effective communication with clients.

Western Railway Diesel Shed, Ratlam

Apprentice

November 2016 - November 2018

- As an apprentice, I effectively managed and worked on various datasets across five different tables, demonstrating technical competence and analytical prowess to enhance operational efficiency.
- I showcased strong multitasking skills and was recognized for my ability to deliver high-quality solutions in a fast-paced environment, contributing significantly to effective system operations and performance improvements.

PROJECTS:

Chai-iayah

- Developed an interactive product showcase using a media scroller to enhance user experience.
- Implemented a user-friendly navigation menu, categorizing products such as Chai, Coffee, and snacks.
- Designed sale banners to dynamically display special deals and seasonal promotions.
- Integrated placeholders for shopping cart and user login functionalities.
- Utilized HTML5, CSS3, and Photoshop to create visually appealing web interfaces.

Tech Stack:

JavaScript | HTML5 | CSS3 | Git | Photoshop
