🎓 EDUCATION

Front-End Developer
Masai School
October 2024-present

MBA
Vikram University, Ujjain
July 2019 - June 2021

B.Sc.
Mahatma Gandhi Chitrakoot
Gramodaya Vishwavidyalaya
July 2011 - June 2014

🧩 TECHNICAL SKILLS

Firebase | Chakra UI | Context API | Redux | CSS3 | HTML5 | Git | React | JavaScript

🧩 SOFT SKILLS

- Teamwork
- Attention to Detail
- Adaptability
- Problem Solving
- Effective Communication

🧩 INTERESTS

Playing Cricket | Skating | Learning new skills | Sketching

📇 PROFESSIONAL SUMMARY

Dynamic Frontend Developer with expertise in React, Redux, and Firebase, skilled at crafting responsive and visually appealing web interfaces. Possesses adaptability in utilizing Generative AI and quickly learning new technologies. Strong problem-solving, teamwork, and communication skills ensure the delivery of exceptional, scalable solutions.

💼 WORK EXPERIENCE

Axiom Pursuits
Software Engineer
January 2023-present
Job responsibilities:

- As a Software Developer at Axiom Pursuits, I designed and built responsive, user-friendly web applications using technologies such as React, Redux, JavaScript, HTML, CSS, and Chakra UI.
- I worked closely with cross-functional teams to develop and optimize features, handle state management efficiently, and enhance application performance.

🖥️ PROJECTS

1. NomadNest | 🌐 | 🕹️
HTML5 | CSS3 | JavaScript | React | Redux | Git | Firebase

- Developed a responsive platform using React to provide seamless booking of unique accommodations globally.
- Implemented advanced search and filter functionality to enhance user experience, optimizing for both mobile and desktop platforms.
- Integrated Firebase authentication for secure login and signup processes.
- Used Redux for efficient state management, and collaborated with designers to maintain a visually appealing UI across devices.

2. Chai-iayah | 🌐 | 🕹️
JavaScript | HTML5 | CSS3 | Git | Photoshop

- Celebrated chai culture with an interactive product showcase, featuring a media scroller for easy browsing.
- Implemented responsive and mobile-friendly design using JavaScript, HTML5, and CSS3, ensuring compatibility across various devices and browsers.
- Developed user-friendly navigation and integrated placeholders for cart and login functionalities to enhance user experience.

🧩 ACHIEVEMENTS

Western Railway Women Cricket
Western Railway Diesel Shed Ratlam
Actively participated in various sports activities and represented the Railway Women's Cricket Team, Ratlam, winning the match.
